## **PRESS RELEASE**

### **IL 140 in Madison County**

Location – IL 140 over Paddock Creek at the Madison County

The Illinois Department of Transportation today announced that IL 140 will be restricted to one lane at Paddock Creek beginning Monday, May 15, 2017, weather permitting. Two-way traffic will be maintained through this area via temporary traffic signals that will be installed. This work is required in order to make repairs to the existing bridge and is expected to be completed by the end of August this year.

The Department advises the travelling public to follow all construction signs and drive with caution through the work zones.

The General Contractor on this project is Plocher Construction Company of Highland, Illinois. Mr. John Adcock is the Supervising Field Engineer for the Illinois Department of Transportation. If you have any questions concerning this project, you may contact him at (618) 346-3352.
